My email list is **EXHIBIT A:**

3 The Plaintiff representing union member around the country and working with 56 national union presidents of the AFL-CIO in Washington D, C has been subject to nonstop physiological and physical war by the FBI and NSA since February 15, 2013.

4 I believe there is National Security Directive sign against me for disseminating Ambassador of Libya Stevens **EXHIBIT B** Guns of August 8, 2012 email (with two articles warning of military conflict with Russia and China) that was SENSITIVE

BUT UNCLASSIFIED is illegal for private citizen to disseminate Ambassador Stevens email to 18 US Intelligence Trigger two articles from American and British Power Structure within two weeks. 5 Ambassador Steven was killed a month later.

5 I email the information using CQROLL.COM to every Town, City, State elected official in late 2012 or early 2013. In 2103 I also around 25 National union leaders of the AFL-CIO in Washington D, C.

6 First article by Professor Paul Craig Roberts: 11-day latter, August 17, 2012 Stumbling Towards Nuclear War? The morons who rule the American sheeple are not only dumb and blind, they are deaf as well. The ears of the American "superpower" only work when the Israeli prime minister, the crazed Netanyahu, speaks. Then Washington hears everything and rushes to comply. The Russians, watching Netanyahu push Washington toward dangerous confrontations keep raising their voices about the danger of nuclear war. On May 17 Russian Prime Minister Dmitry Medvedev warned the West against launching "hasty wars," which could result "although T do not want to scare anyone" in "the use of a nuclear weapon." On November 30 of last year, the Chief of the General Staff of the Armed Forces of Russia warned of nuclear war with NATO. General Nikolai Makarov said that NATO's eastward expansion meant that the risk of Russia coming.

7 The second Article by Professor Graham Allison, 13 day later AUGUST 21, 2012 Thucydides's trap has been sprung in the Pacific China and America are the Athens and Sparta of today. If we were betting on the basis of history, the answer to the question about Thucydides's trap appears obvious. In 11 of 15 cases since 1500 where a rising power emerged to challenge a ruling power, war occurred. Think about Germany after unification as it overtook Britain as Europe's largest economy. In 1914 and in 1939, its aggression and the UK's response produced world wars.

8 I left a complaint with U.S. Attorney General District of Massachusetts on March 8, 2017, the complaint was dated March 6, 2017 **EXHIBIT C** which led to President Trump forcing 46 U.S. attorneys to resign

9 March 10 NYT Trump Abruptly order 46 Obama- Era Prosecutors to Resign; "the night before Fox's News Commenter Sean Hannity said: "on his evening show that Mr. Trump needed to 'purge' Obama Holdover from the federal Government.
